

***** New Worldwide Reseller Network *****

We are happy to announce our new reseller network with a presence on five continents. The following companies offer our products, uav training and repair service in:

- Portugal
- Spain
- Greece
- Romania
- Canada
- Panama
- Morocco
- China
- Thailand
- Laos
- Myanmar

The reseller network gives you easy access to our UAV products in your country and is your contact for any questions. If you as a company realize synergy potentials and want to expand our network as a reseller please contact us.
